A WORD FROM OUR MANAGER

Summer is here, and that means it's the best time to think ahead. Whether you're filling propane tanks before fall demand picks up, fueling equipment for a busy season, or stopping in for a Hot Stuff meal on the way to the field — we're here for all of it. COMMUNITY SPOTLIGHT · POWERED LOCALLY

STUDENT ATHLETES. POWERED LOCALLY.

Your co-op at the center of every game day

Pull into the lot on a game day and you might see a bus — or several — loading up and heading out to tournaments across the region. Teams stop in, students grab snacks, and buses fuel up before the drive. It's the kind of thing that doesn't make headlines but matters every single week of the school year.

Cenex of Wilton has become a go-to staging point for school sports travel in the area. We're proud to be at the center of it.

We fuel the community — and sometimes that means literally fueling the bus that gets our kids to the game.
